FOR THE DIETARY MANAGEMENT OF CALORIE AND PROTEIN DEFICIENCY

Gelatin® Plus is a oral nutrition protein, great tasting gelatin in three delicious flavors: Cherry, Lemon, and Pineapple. Perfect for a clear liquid diet or simply as a refreshing high protein treat. Gelatin Plus combines the efficiency of fast acting whey protein isolate and pre-digested hydrolyzed collagen to give the body the protein it needs for pre-and post operative surgery, wound healing and protein malnutrition.

Each 4 fl oz. serving provides twice as much protein as that found in the typical milk-based supplement, and the fruit flavors provide a pleasant change of taste for your patients, improving compliance and patient satisfaction.

Ingredients (Lemon and Pineapple): Water, Protein (from collagen hydrolyzate and whey protein isolate), Sugar, Malic Acid, Carrageenan and Locust Bean Gum, Natural Flavors, Potassium Citrate, L-Tryptophan, Sucralose, Potassium Sorbate and Sodium Benzoate (preservatives), Yellow 5. **Contains Milk.**

Ingredients (Cherry): Water, Protein (from collagen hydrolyzate and whey protein isolate), Sugar, Malic Acid, Carrageenan and Locust Bean Gum, Natural Flavors, Potassium Citrate, L-Tryptophan, Sucralose, Potassium Sorbate and Sodium Benzoate (preservatives), Red 40. **Contains Milk.**

Suitable for the Dysphagia Diet.
