A Medical Food

Use under medical supervision.

NOT FOR PARENTERAL USE

FOR THE DIETARY MANAGEMENT OF WOUND HEALING

With 20 grams of complete protein ProSource® Cup is designed to be an inclusive protein modular to serve both oral and enteral patients. This low volume, clear liquid, Halal certified protein modular has a bright berry flavor that your patients will love. The low viscosity and wide mouth opening cup making it ideal for legacy enteral syringing or a by mouth administration. With this unique formulation, there is not additional mixing or diluting required eliminating, time, labor and the increased risk of cross contamination.

Dosing and Administration

Oral: Take 1 cup as needed to help meet protein needs. Can also be mixed with hot or cold liquids or foods.

Tube Feeding: Draw from cup using enteral syringe. Administer slowly via syringe. Flush with 30 mL of water before and after administration. Do not mix with tube feeding formula.

Ingredients: Purified Water, Protein from Beef Collagen Hydrolysate and Whey Isolate, Essential Amino Acid Blend (L-Leucine, L-Phenylalanine, LValine, L-Isoleucine, L-Lysine, LMethionine, L-Tryptophan, L-Histidine, L-Threonine), Natural Flavors, Citric Acid, Malic Acid, Lactic Acid, Potassium Sorbate and Sodium Benzoate (preservatives), Sucralose. **Contains Milk.**
