CONVENIENT SINGLE SERVE TRAYS

Each supplement provides 10g protein and 150 calories or more!

Café Parfait® is a bold new type of supplement which also happens to be suitable for the dysphagia diet. Reduce supplement waste caused by taste fatigue and unrealistic volume. Instead of another boring shake, give your patients a tasty treat. Just thaw and serve!

Made with real food! No hidden MSG, or egg fillers. We use great ingredients and have visually appealing shapes to create a range of appetizing purees which deliver the look, taste and aroma to maximize patient consumption.
